Gmail: gathaikariuki@gmail.com

Phone: +254712166018

Portfolio: <http://gathaikariuki.vercel.app/>

Professional Summary.

I am a creative detail-oriented professional with over 2 years of success delivering client satisfaction by providing different tech-based solutions from websites and cross-platform mobile applications to back-end APIs that are built on the principles of efficiency, effectiveness and scalability.

Core Skills.

Throughout my career as a software developer, I have gained numerous skills from working with the following languages and technologies:

- ✓ JavaScript, python and SQL.
- ✓ Django and node to build APIs.
- ✓ MySQL, Postgres and MongoDB to design and implement databases.
- ✓ React, Angular to build web applications.
- ✓ React Native to build android and IOS mobile applications.
- ✓ Design of interactive and responsive user interfaces using Figma.
- ✓ Search Engine Optimization.
- ✓ End to end testing with Cypress.
- ✓ Agile methodologies.
- ✓ Version control with git and GitHub.
- ✓ Cloud computing with AWS.
